1) I mailed the completed marshall forms to your court on 8/1/06. Could you please send me a docket sheet acknowledging you received them from me.

2) I had \$0.00 on my inmate account, I received \$4000 on July 15, 06. The business Office sent you all of my money.

Does this mean every time I get money it goes directly to the court. I have no money for personal items.

I wrote the Business Office but they do not respond. Is this correct?

Thank You
 Richard Shockley
